Office of Legislative Counsel

8 March 1956 - Thursday

- - - - -

50X1

Congresswoman Bolton came down for lunch with the Director. General Cabell, Messrs. Amory, Helms, Kent, Kirkpatrick, [redacted] and Paul also attended. During luncheon and at a meeting which followed in the Director's office, Mrs. Bolton emphatically stated her views that the United States was not paying as much attention to African problems as it should. The Director agreed that this was the case, and indicated that he would be very receptive to ideas on names of individuals who might be useful [redacted] There was some discussion of the possibility of supporting, in one way or another, [redacted]

STAT

[redacted] The Director indicated that we would look into this whole problem further and that we would keep Mrs. Bolton advised on developments. Mrs. Bolton said she would like to take another trip to Africa after the elections.
